## The Dedication of Merit to the Founders

We dedicate the merits of this recitation of the Heart of Great Perfect Wisdom Sutra to:

The Great Benefactor, the Founder of the Doctrine, the Original Teacher Sakyamuni Buddha.  
To the Eminent Ancestor Koso Jōyo Daishi (Eihei Dogen Zenji),  
And to the Great Ancestor Taiso Josai Daishi (Keizan Jokin Zenji),  
May these merits illuminate their awakening and the unsurpassed fruit of Buddha Nature.

We humbly express our gratitude to the four benefactors (Buddha, Dogen, Keizan, Bodhidharma), to save all beings in the three worlds, and to perfectly realise the four wisdoms (giving, kind speech, beneficial deeds, and cooperation) together with all beings.

May all beings achieve realisation and may their sufferings be eased.

To all Buddhas in the ten directions and three times.  
All bodhisattvas, all great teachers (mahasattvas), Wisdom beyond wisdom.

## Dedication of Merit

We respectfully invoke the three treasures, that they may guide us toward awakening. As we have sung [ Name(s) of Sutra(s) Chanted ] and countless merits have been produced we dedicate these merits to:

The Great Benefactor, the Founder of the Doctrine, Sakyamuni Buddha.  
The Great Master Bodhidharma, founding ancestor,  
The Great Master Eihei Dogen, founder of our school,  
The Great Master Keizan Jokin,  
To each of the successive great masters of past generations  
Also to the Great Master Somon Kodo (Kodo Sawaki Roshi),  
And the Great Master Mokudo Taisen (Taisen Deshimaru Roshi),

We express our recognition and we wish for the happiness of all the participants of the pure assembly gathered here at [ London Zen Group ].

To all Buddhas in the ten directions and three times.  
All bodhisattvas, all great teachers (mahasattvas), Wisdom beyond wisdom.
